WALL COVERING COLLECTIONS.

METALEGANCE PURE

METALEGANCE PURE

Made with natural metallic granules, a silicate compound and oxide aluminum, the METALEGANCE PURE is the most recent and refreshing material in the world of wall coverings. Besides being produced with the latest high-tech, it is defined by its metallic appearance and magnetic feature, combined with an elegant and striking look. Its extraordinary surface is endowed with high dimensional stability and flexibility. Fire and water resistant.
