# CORK BRICKS GRAND

CORK BRICKS GRAND is an allusion to the traditional brick, while renewing the vision of cork in its natural form, yet continuing the sense of comfort and warmth. The CORK BRICKS GRAND provide an immensity of pattern possibilities, through the endless array of shape and color combinations. The style of European artisanship and the handmade contemporary appeal provide an irreverent appearance to the CORK BRICKS GRAND, while the inherent aspects of cork still remain true.

**MATERIAL** Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.
